PART THREE: THE PURPOSE OF THIS POLICY

3. The purpose of this Policy is to:

- 3.1 Comply with the provisions of the Municipal Property Rates Act, specifically with section 3 and 6 thereof;
- 3.2 Give effect to the principles outlined hereunder;
- 3.3 Ensure the equitable treatment of persons liable for rates;
- 3.4 Determine the methodology and to prescribe procedures for the implementation of the Act;
- 3.5 Determine criteria to be applied for the levying of differential rates for different categories of properties;
- 3.6 Determine or provide criteria for the determination of categories of properties and categories of owners of properties;
- 3.7 Determine criteria to be applied for granting exemptions, rebates and reductions;
- 3.8 Determine how the municipality's powers must be exercised in relation to multi-purpose properties;
- 3.9 Determine measures to promote local economic and social development; and
- 3.10 Identify which categories of properties the municipality has elected not to rate as provided for in section 7 of the Act.
- 3.11 The rates policy for the municipality is based on the following:

(a) Equity

The municipality will treat all ratepayers with similar properties the same.

(b) Affordability

The ability of a person to pay rates will be taken into account by the municipality. In dealing with the poor/indigent ratepayers the municipality will provide relief measures through exemptions, reductions or rebates.

(c) Sustainability

Rating of property will be implemented in a way that:

- i. it supports sustainable local government by providing a stable and buoyant revenue source within the discretionary control of the municipality; and
- ii. Supports local social economic development

(d) Cost efficiency

Rates will be based on the value of all ratable property and will be used to fund community and subsidized services after taking into account surpluses generated on trading (water, electricity) and economic (refuse removal, sewerage removal) services and the amounts required to finance exemptions, rebates, reductions and phasing-in of rates as approved by the municipality from time to time.

PART FOUR: FUNDAMENTAL PRINCIPLES OF THIS POLICY

4. The principles of the Policy are to ensure that:

- 4.1 The power of the municipality to impose rates on property within its area will not be exercised in a way that materially and unreasonably prejudices national economic policies, economic activities or the national mobility of goods, services, capital or labour as prescribed in terms of Section 229 of the Constitution of the Republic of South Africa;
- 4.2 All ratepayers, in a specific category, as determined by council from time to time, will be treated equitably;
- 4.3 Property rates will be assessed on the market value of all rateable properties in the jurisdiction of the municipality and for the purpose of generating revenue to balance the budget after taking into account:
 - 4.3.1 Profits generated on trading and economic services; and
 - 4.3.2 The amounts required to finance exemptions, rebates and reductions of rates as approved by the municipal council from time to time;
- 4.4 Property rates will not be used to subsidize trading and economic services;
- 4.5 The rates income generated by the municipality will take into account relief measures to address the social and economic needs of the community;
- 4.6 This Policy and amendment thereof will be developed in consultation with the community and in compliance with a process of community participation in terms of Chapter 4 of the Municipal Systems Act.

PART FIVE: APPLICATION OF THIS POLICY

5.1 IMPOSITION OF RATES

- 5.1.1 The council shall as part of each annual operating budget cycle, impose a rate in the rand on the market value of all rateable property as recorded in the municipality's valuation roll and supplementary valuation roll.
